Please follow these instructions to complete the SafeSport training. This training is important to BCH in order to be recognized as a SafeSport Club. Please complete the training by September 1, 2021.

It is important to note there is separate training for parents and athletes. You will create two separate registrations.

For Athletes, Click on https://www.usaswimming.org/safe-sport

and choose "Athlete Protection Training" which will have you enter the swimmer's name and date of birth to get into the training site.

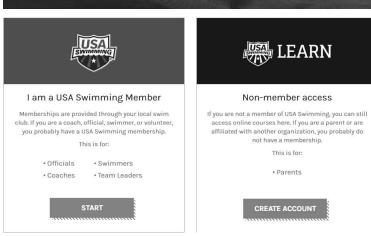

For parents, you will choose "Swimmers and Parents" and choose "Safe Sport for Parents."

Once you click the box, you will be taking to a "register" screen, and it will take you to the following screen.

If you are registering for an athlete, choose "I am a USA Swimming Member," enter the swimmer's name and date of birth and their account will come up. Hit "Continue" and go to "Learn." The training should be available on the next page.

If you are registering as a parent, choose" Non-member access" and you will be prompted to create an account.

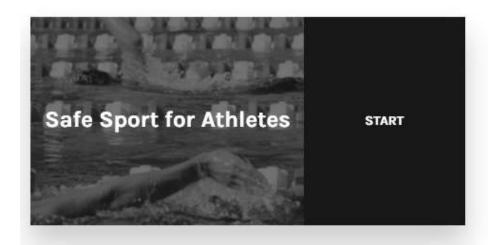

Your LSC is Southern California Swimming

Your Club Name is **Boulder City Henderson Swim Team**

You will be taken to a screen to choose courses to take. Though you have to add them to your cart, they are free. Please complete "Athlete Protection Training: Safe Sport trained Core Course. You will "check out" and the course will be added to your Dashboard for completion.

Athletes will take

Please note that the SafeSport training is created for all sports (not just swim) and is comprehensive regarding athlete protection. You can click to other screens while completing the training and if you stop the training, your place will be saved for you to resume upon your return.

When you complete the training, you will be awarded a certificate.

If you have any questions or need assistance, please contact:
